SENATOR BURBACH: No. If the Marvel amendment is offered and adopted, he then would have an amendment for the Marvel amendment. He would like to do this at the same time, otherwise I don't think, unless there's any other amendment. He'd like to see it passed today.

SENATOR WARNER: I understood that was not going to be offered.

SENATOR BURBACH: I did too, but I didn't know if there may be some other amendment offered. If there would be why then I was just protecting Senator Lewis. If there is no other amendment offered, no one indicates there will be one, I have no objections, and I know Senator Lewis would have no objections, to vote on the bill this morning. If there are no amendments I will withdraw my request for unanimous consent to withhold it, if this is agreeable with the body.

PRESIDENT: Well you can withdraw because consent hadn't been given. The request for . . . well but his request to hold it over had not been given so he can withdraw his request.

SENATOR BURBACH: If there are amendments I will not withdraw my request...if there is a motion on the desk.

PRESIDENT: Chair recognizes Senator Marvel.

SENATOR MARVEL: My amendments are still there. It was my understanding that Senator Lewis had called Senator Burbach and said he had an amendment to these amendments, in case they were offered. He's going to be back tomorrow and he asked the bill be held. I think the healthiest thing to do is to hold it and wait until tomorrow and have him come. We can visit about it. If he has an amendment he wants offered, fine, if not he and I can . . . I think we can proceed with 555 by tomorrow, in fairness to him.

PRESIDENT: We need a motion to hold the bill over.

SENATOR BURBACH: I so move.

PRESIDENT: Senator Burbach asked for unanimous consent to hold 555 over until tomorrow. Are there objections? Seeing none, LB 555 is bracketed until tomorrow. Mr. Clerk would you read LB 81 on Final Reading.

CLERK: LB 2 is a bill that was returned by the Governor pursuant to a request from the Legislature. There is a motion pending on LB 2. I move we reconsider our action on passage of LB 2 on Final Reading. Signed, Senator Stull.

PRESIDENT: Chair recognizes Senator Stull.

SENATOR STULL: Mr. President, members of the Legislature, I would ask that we bring LB 2 back to E & R final to correlate it with 186, a bill that was passed earlier in the session.

PRESIDENT: Senator Stull.
